

## CLAIMS

I claim as follows:

1  
2 *Sub*  
3 *AS*  
4  
5 1. A device for bathing comprising:  
6 a water tight vessel sufficiently large to hold at least one bather;  
7 said tub having a bottom;  
at least one armrest connected to the vessel positioned at a height to support  
one or both arms of said at least one bather;  
at least one orifice defined by said armrest sized and shaped to permit a flow  
of pressurized fluid there through

1  
2 2. The device of claim 1, said tub selected from the following:  
a hot tub, a spa, a bath, a whirlpool bath, and a pool.

1  
3. The device of claim 1 wherein said fluid is air.

1  
2 *Sub*  
3 *AS*  
4 4. The device of claim 1 wherein said fluid is water.

1  
2 5. The device of claim 1 further comprising at least one water jet disposed in said at  
least one orifice.

1 6. The device of claim 1, further comprising at least one air bubbler disposed in said  
2 at least one orifice.
